# Step by step guide to find the Google Place ID for your Business
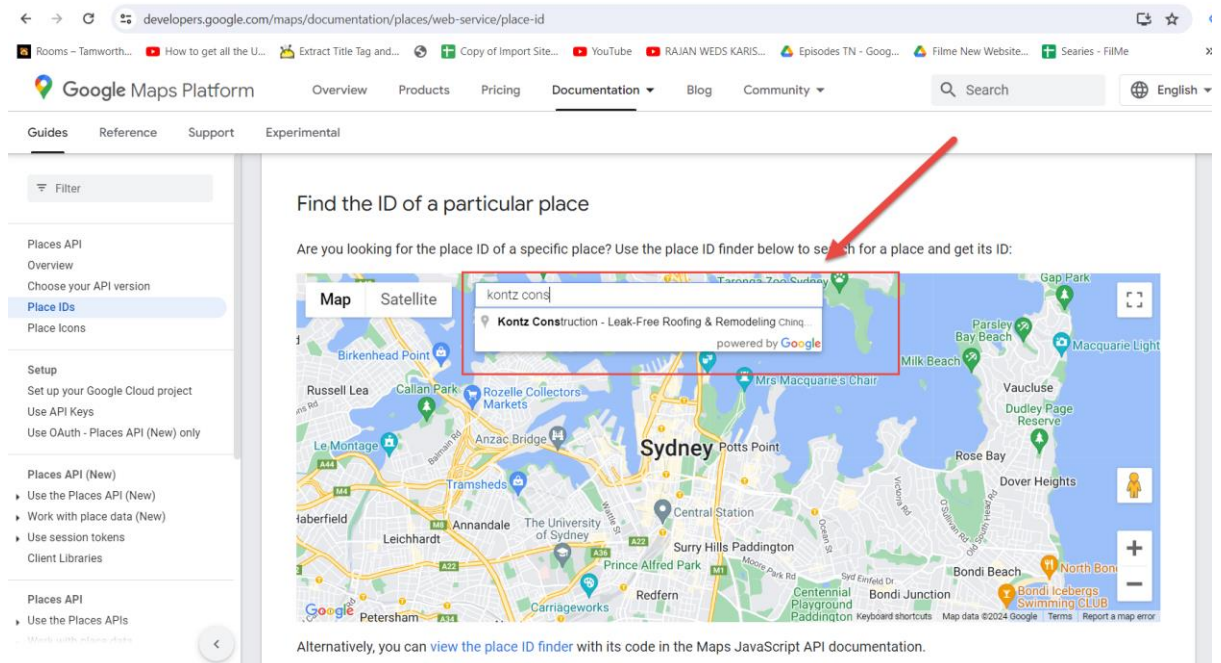

1. Go to Google.com & search for => Search Google Place ID

2. Click on very first link marked above and you can see the below screen with the url (https://developers.google.com/maps/documentation/places/web-service/place-id)

3. In Enter the location field, write down your business name (Please note that your business name should be registered on Google My Business to make it work)

4. Copy the Place ID and paste it into the fwd-reviews business field.

5. Bingo! You are on boarded on FWD Reviews, enjoy the FWDReviews!!
